RE: Develop L-Base Accessories

Effective 1/11/19, OEI will be introducing additional accessories to the Develop L-Base table line. These new accessories include an undermount R8 power module and Vertical Cable Manager.

Undermount R8 Module

The R8 power module contains 8 receptacles and is mounted underneath the worksurface with 4 screws for easy power access. The outer most receptacle location is rotated 90 degrees for larger plug ends. The R8 module also offers a 12' power cord to reach a nearby power source.

Part Number

14.1450.SLVR

Description

Undermount R8 Module - Silver

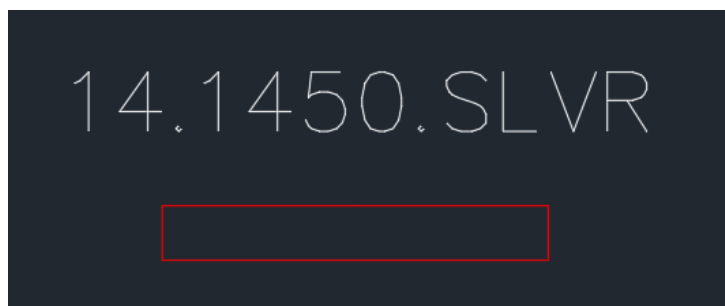

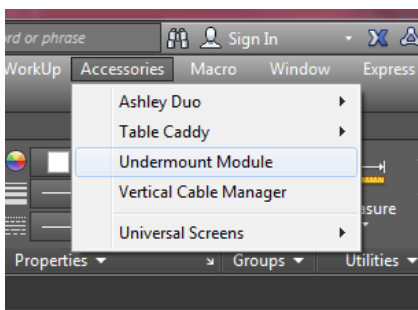

Specifications:

Module Dimensions: 16.3"W x 3.2"D x 2.8"H
