

Arc™ Desk

Arc - Back to Basics.

Strong and durable, yet very, very simple. That's what makes the Arc Desk configuration so unique and so popular. The 7/8" solid core top with 0.030" high-pressure laminate creates a surface that is sleek yet durable. The steel legs offer stability and strength and are specially designed for easy adjustability so you can customize your Arc Desk to accommodate various applications and user heights.

Made to be extremely utilitarian, the Arc Desk is

offered in one laminate and one color. However, it does include some conveniences that not only make the Arc Desk attractive, but also aid in keeping the entire room looking clean and organized. These amenities include a modesty panel, a security panel, a backpack hook, and an optional book tray.

The Arc Desk is simply a basic table with not-so-basic durability and style.

The durable backpack hook allows backpacks to hang neatly along the side of the desk, helping to create a clean, uncluttered room.

All-steel legs adjust from 22" – 32" to accommodate varying user sizes.

The optional book tray offers ample room for books and notebooks of all sizes.

The smooth-cornered top is sleek and durable and is able to withstand years of use.
