Implemented By: OEI/KI

Notification By: Jim Noll

Date: 11/1/2008

Component Product Title: Volition Desking System Backpacks

Effective: 12/1/2008

Description of Change: Effective Dec 1, 2008 the OEI Volition Desking Backpacks will no longer be offered as part of the Volition product line.

Reason for Change: Due to very low sales volumes the past few years we are eliminating this option from the offering.

Action Required: OEI Literature will be revised to remove the Backpack option.

If you use the KI/OEI Encompass CAD program a future update will have the OEI Volition Backpack option grayed out so it cannot be spaceplanned.

The rare situation where Volition Backpack units were being specified was as a solid cover for the front of the Volition Executive desk. We will be developing an option for an even cleaner looking full-front cover for the desks in the near future. In the meantime a new cover can be ordered in the size needed by using the OEI Specials process. Please contact you OEI Customer Service representative to process a special for this product.
